THE ULTIMATE DESIGN CHECKLIST

Planning a renovation or interior design project?

This checklist is your go-to tool for staying organized, confident, and stress-free throughout the process!

With years of experience in construction and interior design, I've created this comprehensive guide to ensure nothing gets overlooked. From initial planning to final styling, this checklist helps you:

- ✓ Avoid costly mistakes by planning ahead
- ✓ Feel empowered and in control of your project

Perfect for homeowners, renovators, and designers, this checklist is designed to save you time and money while making the process more enjoyable.

Brooke x

DEFINE YOUR VISION

- Identify Your Style: Modern, rustic, minimalist, eclectic?
- Gather Inspiration: Create a mood board with your favourite images, colours, and textures.
- Set Your Goals: What do you want to achieve with your redesign? More space, better functionality, updated look?

PLAN YOUR BUDGET

- Determine Your Budget: How much are you willing to spend?
- Prioritize Spending: What are your must-haves versus nice-to-haves?
- Reserve a Contingency Fund: Allocate about 10-15% of your budget for unexpected expenses.

MEASURE YOUR SPACE

- Take Accurate Measurements: Measure the dimensions of each room and note any architectural features.
- Create a Floor Plan: Sketch out a basic floor plan to visualize the space.

SELECT YOUR COLOUR PALETTE

- Choose a Base Colour: This will be the dominant colour in your space.
- Select Complementary Colours: Pick two or three accent colours that complement your base colour.

FURNITURE AND LAYOUT

- Assess Current Furniture: Determine which pieces to keep, donate, or replace.
- Plan Your Layout: Arrange furniture for optimal flow and functionality.
- Consider Scale and Proportion: Ensure that your furniture fits the space without overwhelming it.

LIGHTING

- Natural Light: Maximize the use of natural light by keeping windows unobstructed.
- Layered Lighting: Incorporate ambient, task, and accent lighting for a balanced look.
- Choose Fixtures: Select lighting fixtures that match your design style.

TEXTURES AND MATERIALS

- Mix Textures: Combine different textures (e.g., wood, metal, fabric) to add depth.
- Material Selection: Choose durable materials that fit your lifestyle and aesthetic.

ACCESSORIES AND DECOR

- Personal Touches: Add personal items such as photos, artwork, and souvenirs.
- Greenery: Incorporate plants to bring life and freshness into your space.
- Statement Pieces: Use decor items that make a statement and reflect your personality.

FINAL TOUCHES

- Check for Cohesion: Ensure that all elements work together harmoniously.
- Edit and Revise: Make any necessary adjustments to enhance the overall design.
- Enjoy Your Space: Step back, admire your work, and enjoy your beautifully designed home!

Thank-you!
